RE: MUR 2314

Dear Mr. Levin:

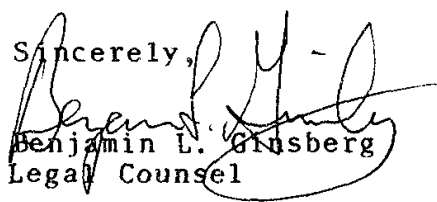

Pursuant to our telephone conversation, the National Republican Senatorial Committee ("NRSC") hereby respectfully requests a 20 day extension to file a response to the complaint in the above-captioned matter.

This request is necessitated by two factors. The first is that due to travel of personnel and turnover in the NRSC staff, the complaint was not directed to counsel in a timely fashion. Thus, an extension was not obtained last week.

Second is a change in counsel. I became Counsel to the NRSC on February 17, 1987 and have not had adequate time to acquaint myself with the NRSC's operations during the last cycle and with the issues raised by the complaint. Accordingly, I formally request a 20 day enlargement of time until March 10, 1987 to investigate the matter and prepare an appropriate response.

The NRSC would greatly appreciate the Commission's consideration of these circumstances in acting upon this petition.

Sincerely,

  
Benjamin L. Ginsberg  
Legal Counsel
